Welcome to Bike Week at the World Famous Daytona Beach! I bet you are ready to ride because the weather up north has been so terrible. Let's start off – thanks to the Iron Horse for the awesome cover artwork; and I want to thank No Name Saloon for the Back Cover.

104.7, Frank and Tracey and Gary have been rockin' Daytona for 20 years. Check out their new station.

At the Main Street Station – great bands, two stages - Rebel Son, Big Engine, just to mention a few. Riverfront Park has live bands, Builders Row and the Budweiser Clydesdales. Marks Sports Pub is a local spot and they treat you like a local. Live music on the weekend.

No Name Saloon has A Flock of Seagulls and Tone Loc, Wild Thing and Cold Funky Medina. Yeah, Baby, LOL. See the camel and animal exhibit, too. Broken Spoke is now open. Great band line-up, Warrant and Hair Ball, along with Uncle Kracker, just to mention a few.

Speedway – see Bad Ass Bullets and other vendors at the track. Motorcycle Racing is going on there, too.

Roadside Tavern, a great little place to hang out with music and lots of trees. Chrome Bar and Grill – the best view of Main Street, really, with food and live music. Cackleberry Campground has a bunch of neat stuff – but a must see is the Greg Billingsly Band. He’s been rocking Central Florida for years. Cabbage Patch Coleslaw Wrestling on Wednesday and Saturday with Bike Shows and live music, too.

The Iron Horse has David Allen Coe, Cold Hard Cash and free beer from 4 to 5. Destination Daytona Harley-Davidson has LA Guns and Dokken – free concerts; and the MOST vendors at the Rally. Pub 44 has Puddle of Mud and Molly Hatchet, just to mention a few – plus full awesome sit down and eat menu.

Beaver Bar - $2 beer. Sit and rock and watch all the people. Live music and rock the rocking chairs. Custom Adrenaline will get you on a shirt while you wait. Pretty cool.

Foxhead – nice ride down 415, great stop the locals know.

Tattoos – there is only place to go and that is Willie’s. Best artists, clean environment and award winning artists. Think before you ink. Stay out of tents, trailers and kitchens.

Twisted Tea – look for Billy G and Tank in the sidecar at all your favorite watering hole locations.

I want to thank Linda for typing, Mike for putting me together – and all the great art work; Thunder for the maps; Jane for getting me out and putting me up. Tell the advertisers you saw them in the Pocket Guide.

Let the Advertisers know that you saw them in the Pocket Guide, because we are advertiser supported. And don't forget - We are available online and available approximately 1 - 2 weeks prior to the Rally so you can see what is happening before you leave your home to come here. You can actually plan on what you want to do during your stay.

If you want to take advantage of an excellent opportunity to get your name out – give us a call at 386-323-9955 and we will put an advertising package together that fits your budget and your needs.

In closing, my usual speech. Don't be dragging and revving your pipes, or you will get a ticket and free room and board. I hear the food is very good, though! So park your bike and take a taxi. Think before you drink, don't leave your drinks unattended – it's not the bartenders job to babysit your drinks. Take care of your servers – they work really hard to make your vacation awesome. Have a safe Bike Week.

PS - Lots of love to Ronnie and Robin. ~ Ron Martin
