Welcome to Cruisin' the Coast 2015! We are so glad you are here. The weather has been awful up north and I know you are itchin' to blow some of that dust off! Gas has gone down so get on that Harley and let's ride around town.

Welcome to the 75th Anniversary of MB Bike Week. Yeah Baby! I want to especially thank Myrtle Beach Harley-Davidson for the cover, and I want to thank Suck Bang Blow for the Centerfold, and thanks to Joyce, Napier, Risher & Hardin for the back cover. I hope you don't need them, but if you do, they're the best. Without all you guys we don't exist.

Look out for Bill and Tanky and the Tea Baggin' Wagon. They will be at all your favorite watering spots with the Twisted Tea girls.

Stop by and take a look at the new Indian and Victory motorcycles at Coastal Victory. Maybe you'll take one home????

Next, tattoos. Stay out of tents, trailers and kitchens. Just remember YOU have to wear it, not the artist. Go to Pit Bull Tattoo. They are having a little get together on their deck with some dogs and sodas on the last weekend. They have a tattoo special for just walking in the door. Harley-Davidson has a “Cruisin' the Coast Rally Ride”. Check out the map and the Guide for complete details.

Texas Roadhouse is celebrating Wild Wing Wednesdays, and their Texas Teaser is the Bike Week Feature Cocktail. Best steaks in the Inlet.

Spokes and Bones, Battle of the Baggers. Happens on Friday, May 15th. Also, John Cafferty, Eddie and the Cruisers. That is going to be awesome. Come visit the French Quarter and see Flare Bartender, Joe Morton.

Suck Bang Blow – burnout, babes, wet t-shirt contest, Jasmine Cain, Rebel Son...check out the complete listings for all the fun.

Throttle Fest at the House of Blues. Check out the cast and crew from the TV show. Great bands are playing including Jackyl and David Allan Coe. And, while you are in town, pick up some Jesse James Bourbon and S'loonshine.

Cacklebery's No Limit Golf Carts are going to be at Myrtle Beach Speedway. Come see BadAssBullets at the Beaver Bar – home of the $2 beer, rocking chairs, BBQ, and you never know what is going to happen at the Beaver Bar – Big Beaver and Little Beaver. Hottail Customs, get yourself a custom made seat. Awesome! They will be behind Suck Bang Blow.

The Swamp Fox Biker Bash will have Bret Michaels, Marshal Tucker...it is worth the ride. They have camping available, too.

Think ahead – make reservations now for the 75th Anniversary of Sturgis. Check out the ad for No Name City, get their number and give them a call.

Jasmine Cain – check out her website for her brand new CD. She will be playing at Suck Bang Blow during Bike Week. She is in the Event Listings.

Thanks to my staff for all the help on the Guide. Thanks to Linda for just about everything, Thunder for the maps, Mike for putting me together, and Jane and Hank for getting me out in print. Thanks to Steven Spoons for the great photography work he has done for us.

This is very important, please tell every advertiser that you saw them in the Pocket Guide®. We are available online and available prior to the Rally so you can see what is happening before you leave your home to come here. Check us out on FaceBook, too. You can actually plan on what you want to do during your stay in Myrtle Beach. Isn’t that cool! And if you to be in the edition of the Bikers Pocket Guide, visit us on our website, BikersPocketGuide.com to look at the archived Guides, and information on how to advertise with us.

In closing - my usual speech. Don’t be draggin’ and revving your pipes, ‘cause you’ll get a ticket and free room and board. If you’ve had too much to drink, park your bike and get a taxi home. Think before you drink. Don’t leave your drinks unattended. It’s not the bartender’s job to babysit your drinks. Take care of your bartenders and servers. They work real hard to make your vacation unforgettable. Have a safe and great Bike Week!

Remember – rubber side down, shiny side up.

PS - Lots of love to you, Ronnie and Robin. Happy Birthday to Jason and Robin. Dad, rest in peace, it's been 3 years and we miss you. Happy Mother's Day to Mom and all the moms out there. ~ Ron Martin

While visiting SC, take time for a side trip to Charleston. Founded and settled by English colonists in 1670, Charleston grew from a colonial seaport to a wealthy city by the mid-eighteenth century. Through the mid-nineteenth century, Charleston’s economy prospered due to its busy seaport and the cultivation of rice, cotton, and indigo. In April of 1861, Confederate soldiers fired on Union-occupied Fort Sumter in Charleston Harbor, thus signaling the beginning of the Civil War. Charleston was slow to recover from the devastation of the war. However, its pace of recovery became the foundation of the City’s greatest asset – its vast inventory of historically significant architecture. Short on capital after the war, Charleston was forced to repair its existing damaged buildings instead of replacing them. After the war, the City gradually lessened its dependence on agriculture and rebuilt its economy through trade and industry. Construction of the Navy Yard in 1904, just north of the City’s boundaries, pushed Charleston vigorously into the twentieth century. Visit Battery Park, used during both the Revolutionary and Civil Wars.
