Welcome to Cruisin’ the Coast 2013! We are so glad you are here. The weather is awesome and the gas prices are going low – yes, going low! The bike is looking better and better every day. That’s a great thing – so get out and ride! It costs less than $20 to fill a Harley now! I want to thank Myrtle Beach Harley-Davidson for the awesome cover – and that’s great t-shirt art, too. Take some home for souvenirs. Next I want to thank Suck Bang Blow for the centerfold, and thanks to Joye Nappier Risher lawfirm for the back cover. Hope you don’t need ‘em, but if you do – you’ve got the best! And with all that, let’s start with Victory Motorcycle’s new location in Murrells Inlet. And, the Victory Demo Truck will be on location from the 15th through the 18th.

Also, I want to thank Palmetto Moonshine, South Carolina’s first legal moonshiners! Cheers!

Break downs – bummer. Call Dick Martin. He’s local – been wrenching here for years.

Going up to House of Blues – we’ve got Throttle Fest – Mike, Angie and Jessy – they are all going to be there for meet & greet, and Jessy has Jackyl playing on Saturday night – that will be awesome. Oh, and PS - Congratulations to Mike and Angie on your marriage! It’s about time!

Moving on down – Beaver Bar. Rebel Son on Thursday and Friday. Opie/Sons of Anarchy. Shoot to Thrill – all girl band. Yeah, Baby! Late night menu with good, good food! Two locations.

This is a sad event, but this is the last time for 4 Corners Suck Bang Blow so come on out and celebrate their final Bike Week in grand style. Between Suck Bang Blow Original and 4 Corners, burnouts, over 30 vendors – and yes, Church Services on both Sundays – Hallelujah!

Spokes & Bones – check out their new VIP Lounge. You can’t miss it – it is straight up in the air. Best viewing spot in the whole event! They have special VIP Bar and seating for their big events. Kentucky Head Hunters is playing on Friday, the 17th. And how about the wine bar, and a nice shady spot in the middle of Bike Week.

Harley-Davidson has 4 stores, vendors and new bikes, parts, MotorClothes – take some souvenirs home. Visit them at the North Myrtle Beach store for new bikes.

Tattoos! Take that special souvenir home with you. Visit Pit Bull Tattoo. Stay out of tents, trailers and kitchens. Pit Bull has a clean, sterile environment with some great artists.

My favorite subject – Wings! Texas Roadhouse has Big Mike cooking his special Buffalo Wings – on Wednesday night. Check the schedule for other events that week, and also their special drink is the Blue Motorcycle, the Long Island Iced Tea for Bikers. Betsy will hook you up!

Last, but not least, say Hey to Todd at Meat Heads – if you ever ate at the Pomanti Brothers, you will know. Get a Pittsburgh sandwich – awesome! They are newly opened, so help them out.

Thanks to Linda for her magic fingers, Thunder for your maps, Mike for putting it together. Without you guys, we don’t exist. Frank, Jane, Hank and Julie, you guys put me together and get me out on time. Thanks a million! This is very important. Please tell the Advertisers you saw them in the Pocket Guide. We are online and available prior to the Rally so you can see what is happening and plan what to do when you get here. www.BikersPocketGuide.com

Visit us now online so you will know what you want to do on the Grand Strand when you get here.

In closing, my usual speech. Don’t be dragging down 17 revving your pipes – cause you will get a ticket and free room and board. If you had too much to drink, park your bike and get a taxi home. Think before you drink, and don’t leave your drinks unattended. It’s not the bartenders job to babysit your drinks. Please take care of the bartenders and servers. They are working hard to make your vacation unforgettable. They like to eat, too!

Have a safe Bike Week. Remember, rubber side down, shiny side up.

Ron Martin

PS – Happy Birthday to Jason, Robin and Dad. Rest in Peace, Dad, it’s been a year. We all miss you. Happy Mothers Day to my Mom and all the Moms out there!
