Come Take a Demo Ride!
Welcome to the Hurricane Alley Rally. I hope you all survived the weather we had. God bless the people in the Islands and in the Outer Banks. Please donate to your local charities if you can. Make sure they are the real deal though. Many thanks to our advertisers – Myrtle Beach Harley Davidson for the front cover, Russ Brown Attorneys for the back cover, and Spokes and Bones for the Centerfold. We don’t exist without you.

What’s going on? The list begins. Take a demo ride at Coastal Indian Motorcycle. They have the new Indians! Entertainment – Suck Bang Blow has Hairball. Awesome! And Bobby Friss, Sunny Ledford, just to mention a few – and Jasmine Cain, too. Lots of contests.

Myrtle Beach Harley-Davidson – they have a lot going on with the Kick-off party on Monday, September 30th. See the Guide for a full list of events. They have a lot going on.

Spokes and Bones – Battle of the Baggers, Sound Throw Down, and bands - City Lights, and Big Engine, just to mention a few. Also, every night, the FMF After Party.

Beaver Bar - $2 longneck beer. All kinds of stuff going on there. Throwdown Jones, Element, Majik Mike, girls, girls, DJ Taz and lots of Southern Hospitality.

If you have an accident, which we hope you never have – but if you do, call Russ Brown attorneys – in business over 40 years! Motorcycle Owners, too.

I want to thank all our cast and crew for making us 25 years old! We’re no fly by night company. We’ve been here 25 years. We are the real deal and we’re here for you! Not like some “copycats”.

Thanks to Linda for her magic fingers, Mike for putting me together, Thunder for the awesome maps, Jane and Hank for getting me out on time. You all are the best a Publisher could ask for!!!!

Tell the Advertisers that you saw them in the Pocket Guide, because we are advertiser supported. And don’t forget - We are available online and available approximately 2 weeks prior to the Rally so you can see what is happening before you leave your home to come here. You can actually plan on what you want to do during your stay.

If you want to take advantage of an excellent opportunity to get your name out – give us a call at 386-323-9955 and we will put an advertising package together that fits your budget and your needs.

In closing, my usual speech. Don’t be dragging and revving your pipes, or you will get a ticket and free room and board. Think before you drink, don’t leave your drinks unattended – it’s not the bartenders job to babysit your drinks. Take care of your servers – they work really hard to make your vacation awesome. Have a safe Rally.

~ Ron Martin

Remember – rubber side down, shiny side up.
PS – Lots of love to Ronnie and Robin

Take a day trip to Wilmington, NC and visit the Battleship North Carolina. Moored across the river from downtown Wilmington. Her crew faced combat in the Pacific Theatre during World War II. Step back in time and let history come alive through the crews’ stories. Discover and build your personal connection by steering the ship, starting her engines or even firing the guns.
