Iron Horse Saloon

Bike Week 2014
March 7-16

Local Area Maps & Event Guide

Welcome to Bike Week at Famous Daytona Beach! Get you were ready to
gel here and ride, ’cause the weather has been terrible. So – let’s start. Thanks to the Iron Horse
for the awesome cover and artwork.
I want to thank No Name Saloon for the back cover and – hey – you gotta go see Gus the camel!
And after kissing the camel – have some Twisted Tea and look for Bill at all the big events with
his Twisted Tea Wagon.
Breakdowns – call Emergency Bike Rescue. They will get you to a mechanic fast. If you are in
an accident, call Politis and Matavino – they will take care of all your legal needs.
Next – Willie’s Tropical Tattoo Old School Chopper Show. Don’t bring the kids, and you will have an awesome time. Also, get yourself a
great tattoo. Stay out of tents, trailers and kitchens.
Stop by Mark’s Sports Pub – they treat you like a local and have some of the best prices in town.
No Name Saloon also has Saliva and Jack Russell’s Great White, among other bands to see and hear.
We want to thank Riverfront Park for joining us this year. Check out the Builders Row and the Ultimate Bagger Show.
If you are in need for a new or pre-owned Harley – see Freedom Cycles. They will hook you up. And they have Lizard Lick Towing on
site. Come and meet them.
If you need to get parts, or your Bike needs a little tweaking – go see Crank N Chrome. They will take care of all your needs.
Moving on down the road, “come cramped and leave happy” at the Roadside Tavern. Princess Patti has some awesome food and a
great band line-up for Bike Week.
Ocean Deck – awesome food, great views and the Gas House Gorillas are playing.
Now, if you are looking for your Bike to be lit by quality LEDs, not fly-by-night LEDs, go to Custom Lighting efx. They have a real
store – right here in town!
More Music – on Main Street. Main Street Station is rocking for the entire Bike Week. Check out their schedule. Yeah!
Well, if your feet are needing some new boots, Skip’s is the place to go.
The Beaver Bar - $2 beers, $3 imports – all the time. Come in and set a spell. Enjoy Southern hospitality at its finest, with a great
band line-up.
Brian Howe of Bad Company, and Fran Cosmo of Boston, along with David Allan Coe, with an appearance with Jake and Elwood – just
a little of what is going on at the Iron Horse Saloon.
Great White and Vixen are playing at Destination Daytona. Saints & Sinners has music all week long for your listening pleasure. Check
out their schedule in the Guide.
Pub 44 is now open. Warrant, and Molly Hatchet are playing, and the Flaunt Girls will be there – just to mention a few.
Cabbage Patch – Yeah Baby! Cole Slaw Wrestling, Wednesday and Saturday, Bike Show on Tuesday and Beggars on Thursday. Check
the schedule. They have $2 beers all day, too.
If you are looking for something with a little kick, try Jesse James Bourbon or Michael Ballard’s Full Throttle S’looshine – that will
get your heart going!
Bulldog Leather on Main Street – Barb has been there since ‘79 and she can fix just about anything. Also, the Foxhead has been going
strong since then, too. They are a real biker bar – worth the drive out of town.
Frank’s Place up in Ormond by the Sea – nice little ride up to the north of Daytona, with great live music.
Now for you art enthusiasts, Destination Daytona is hosting Scott Jacobs. You might want to take some of his paintings home!
Thanks to my staff for all the help on the Guide. Thanks to Linda for just about everything, Thunder for the maps, Mike for putting me
together, and Jane and Hank for getting me out in print. Thanks to Steven Spoons for the great photography work he has done for us.
You can actually plan on what you want to do during your stay in Daytona Beach. Isn’t that cool! And if you to be in the edition of
the Bikers Pocket Guide, visit us on our website, BikersPocketGuide.com to look at the archived Guides, and information on how to
advertise with us.
In closing - my usual speech. Don’t be draggin’ and revving your pipes, ’cause you’ll get a ticket and free room and board. If you’ve
had too much to drink, park your bike and get a taxi home. Think before you drink. Don’t leave your drinks unattended. It’s not the
bartender’s job to babysit your drinks. Take care of your bartenders and servers. They work real hard to make your vacation unforget-
table. Have a safe and great Bike Week!

PS - Lots of love to Ronnie and Robin.
