Come out and be a little Twisted at all of our Bike Week Tea Bars and be on the lookout for the Tea Baggin’ Wagon!

www.sscycle.com • Proving It For 55 Years
Welcome to Daytona Beach 2013! I want to thank the Iron Horse for the awesome cover! Also, No Name Saloon for our back cover! And welcome to Eagle Riders. We really appreciate your business. Without you guys, we don’t exist. Please tell the customers that you’ve seen them in the Pocket Guide. So much going on during Bike Week. Here we go! Be on the lookout for the Tea Baggin Wagon from Twisted Tea. Bill and company are always a great party. They will be all over area locations during Bike Week. On down to Riverside Park – stop by to see S&S and Crane Cams. Also, Serenity House is selling raffle tickets. Take a chance to win a new bike – goes to a good charity. If you need parts, repairs, audio – Miller’s is open all year round and they now have a second location in Ormond Beach that just opened. Ocean Deck – They have a bucket of beer special and drink on the sand while you dance to the reggae band. No Problem, Mon! Also, they have a complete menu. Willie’s Bike Show – this is the Bike Show you don’t want to miss! Don’t bring the kids. Big Rick and the Troublemakers will be playing. Prizes! Vendors! People from Arni raising money for the critters. For all of you that want a little spice in your life, take a trip to Adam & Eve – they have 2 locations – St Augustine and Jacksonville. Say hi to Melissa and show them your key. You’ll have a good time and get a discount, too. HOG Radio is distributing the Pocket Guide at all the remotes. Ain’t that cool! Check out WHOG and look for all their remotes throughout Daytona – check the daily listing.

The Razorbacks are celebrating their 20th Anniversary. They will be at Bank & Blues – and it’s the original Razorbacks, too! No Name Saloon – Great White with Jack Russell; and Faster Pussy Cat, along with the Wall of Death and so much other stuff going on. Jim and Todd have really done a great job here. You gotta check the listings in the Guide! Cabbage Patch. Coleslaw Wrestling Wednesday and Saturday – need I say more? Awesome deal on beers - $2 Buds and Bud Lights – every day! Several Bike Shows throughout the week and some great entertainment from all over the United States. Ride the Southern Loop and Roger will buy you a beer – see the Guide for information. And $10 camping, too.

Broken Spoke – celebrating 25 years. They have Molly Hatchet playing, along with Joe Santan’s 20th Anniversary at the Spoke. All kinds of contests and cash prizes. Several Bike shows during the week, and Victory Motorcycle Happy Hour – daily special. See the Guide. Skip’s Boots – check out their new location. If you are looking for Western wear and boots, this is the place to go. All your Western wear – and it’s all about attitude! Eagle Riders Motorcycle Sales. A short ride from Daytona will save you a whole lot of money! And register to win a free Harley-Davidson and a vacation while you are there. Join them for live music, food and drinks and daily prizes. Tell Ken we sent you. Beaver Bar – down home hospitality from South Carolina. This is the newest bar on the Ormond Strip. Great food, entertainment, $2 beers and Rebel Son. If you’ve never seen Rebel Son, you are in for an evening of entertainment with a South Carolina attitude. Iron Horse Saloon – David Allan Coe, Jasmine Cain, Mustang Sally, Big Engine – to mention just a few. They’ve got some of the best food vendors at Bike Week. Please, please, please bring this ad to the General Store for your free gift.

DaytonaRock.com has the most complete listing of bands and events in all of Central Florida. Bag Lady Sue comes to Bike Week. She is doing special shows at the VFW post – and this is to help the Veterans. Yes – it really DOES help the Veterans. Mark’s Sports Pub – it’s a local place with great prices. Show the Pocket Guide and your first well drink is free. From Jersey, Sick Intent will be playing for their third year here. Saints & Sinners has live entertainment all throughout Bike Week and on Saturday the 16th, a Shooter Jennings concert – a show you don’t want to miss.

Thanks to my staff for all the help on the Guide. Thanks to Linda for just about everything, Thunder for the maps, Mike for putting me together, and Jane, Hank and Frank for getting me out in print.

This is very important, please tell every advertiser that you saw them in the Pocket Guide®. We are available online and available prior to the Rally so you can see what is happening before you leave your home to come here. Check us out on Facebook, too. You can actually plan on what you want to do during your stay in Daytona Beach. Isn’t that cool!

In closing - my usual speech. Don’t be draggin’ and revving your pipes, ’cause you’ll get a ticket and free room and board. If you’ve had too much to drink, park your bike and get a taxi home. Think before you drink. Don’t leave your drinks unattended. It’s not the bartender’s job to babysit your drinks. Take care of your bartenders and servers. They work real hard to make your vacation unforgettable. Have a safe Bike Week.

Remember – rubber side down, shiny side up.

PS - Lots of love to Ronnie and Robin.

~ Ron Martin
