Welcome to the 2015 Hurricane Alley Rally. The weather is just about right and the gas has gone down – so get on that Harley and let's ride around town.

I want to thank Myrtle Beach Harley-Davidson for the cover, the Beaver Bar for the centerfold, and to Tom McGrath's Motorcycle Law Group for the back cover. I hope you don't need them, but if you do, give them a call. They are the best. Without you guys we don't exist. Stop by and take a look at the new Indian and Victory Motorcycles at Coastal Victory/Indian. Maybe you'll be taking one home!

Next, tattoos. Stay out of tents, trailers and kitchens. Just a reminder, you have to wear it, not the artists. Go to Pit Bull tattoos, they have a clean and sterile environment, and great artists. See the ad for their special. Harley-Davidson is hosting some events – see their ad for the complete schedule and the map for the locations.

Spokes & Bones, Battle of the Baggers, sponsored by Tom McGrath Motorcycle Law Group happens on Friday, October 2nd. Live entertainment, contests – take a step back in time to the French Quarter. They have several themed bars including a 1920's speakeasy.

Suck Bang Blow – burnouts, babes, wet t-shirt contests! Jasmine Cain, Rebel Son just to mention a few. See the complete schedule in the Daily listings for all the fun.

House of Blues – check out their schedule for their events and visit their Thursday night bike night.

The Beaver Bar – you never know what is going to happen! They've got live music, great food, the most vendors and she is open for the full 10 days. Yep! Pull up a rocker, sit a spell. $2 beers!

Kimmy Cruz – come see her at Suck Bang Blow. Hottail Customs – the most awesome custom made seats in the Southeast – really!

Breakdown? Bummer. See Dick Martin. Take a look in the Guide for the address and phone number.

Thanks to my staff for all the help on the Guide. Thanks to Linda for just about everything, and Mike for putting me together. Thanks to Thunder for the maps and putting the books out for me. Thanks to Hank and Jane for the printing and getting me out on time. Thanks to Stephen Spoons for awesome photos and the beautiful models.

This is very important...please tell every advertiser that you saw them in the Pocket Guide®. We are available online and available prior to the Rally so you can see what is happening before you leave your home to come here. Check us out on FaceBook, too. You can actually plan on what you want to do during your stay in Myrtle Beach. Isn't that cool! And if you want to be in the Bikers Pocket Guide, visit us on our website, BikersPocketGuide.com to look at the archived Guides, and information on how to advertise with us.

In closing - my usual speech. Don't be draggin' and revving your pipes, 'cause you'll get a ticket and free room and board. If you've had too much to drink, park your bike and get a taxi home. Think before you drink. Don't leave your drinks unattended. It's not the bartender's job to babysit your drinks. Take care of your bartenders and servers. They work real hard to make your vacation unforgettable. Have a safe and great Bike Rally!

Remember – rubber side down, shiny side up.
