GRAND STRAND 2012

THOUGHTS FROM THE PUBLISHER

Welcome to the Grand Strand Bike Week 2012! We are so glad that you are here. The weather is awesome and with gas prices so high, the bike is looking better every day. That's a great thing! So, get out and ride. \$20 to fill a Harley!

I want to thank Beaver Bar for the awesome cover. That's a great T-shirt, too. Take some home for souvenirs. Next, I want to thank Suck Bang Blow for the Centerfold; and Joye Napier and Risher lawfirm for the back cover. Hope you don't need them, but if you do, get the best!

With that, lots of stuff to do, so let's get started! Spokes & Bones has Rick Derringer on the 18th. And lots of vendors, and some nice shady spots in the middle of all the Bike Week Events. Also HHI. Get some real cool wheels, handlebars, and brakes for your ride.

Next, Full Throttle Saloon comes to Myrtle Beach at the House of Blues. Meet the cast and crew of the Full Throttle Saloon Show, and Jackyl on Saturday night for the grand finale. Also, bands all day Thursday, Friday and Saturday on the deck.

Suck, Bang Blow – bands, bands, bands, contests, burnouts and wet t-shirt contests all day long. What more can you ask for?!

Onward – Beaver Nation! At the Beaver Bars - Little, County and Junction. Rebel Son will be there – you've got to see. Special Bike Show on the 19th with the IMBB guys. Don't miss it.

Next – tattoos. Go to Pitbull Tattoos voted best tattoo shop in Myrtle Beach four years in a row. Clean, sterile, and the artists do awesome work. Stay out of tents, trailers and kitchens. You have to wear it – not them.

Now, if you have the need for speed, see Chris at his new location at Spokes & Bones. Cycle Solutions will make that bike sing – and go real fast, too! Yeah, Baby! And for you who are looking for a new bike, see Tim at Coastal Victory. Maybe you'll take one home with you.

Now – my favorite subject...FOOD! Texas Roadhouse has lots of stuff planned for you this Bike Week annnnnndddd – the BEST ribs on the inlet. They are having karaoke and Harley HOG is having a special event on the 21st. Make sure you stop by and visit.

I want to thank the folks at Sleep Inn for making my stay in Myrtle Beach a comfortable one. A million thanks to you guys – Todd, Matt, Chad and Kevin! And Traci, too!

Legends has a new location by Broadway at the Beach. They look like the real stars, and they sound like the real stars – don't miss the show.

Now to say thanks to Linda for your magic fingers, Thunder for your maps, Mike for putting it together, Doug and Carol for helping us out in this moment of crisis (LOL). Without you, we would have been up the creek without a paddle! And to Frank, Jane and Hank – you guys put me together and get me out on time. Thanks a million. Without you guys, we don't exist.

This is very important, please tell every advertiser that you saw them in the Pocket Guide®. We are online and available prior to the Rally so you can see what is happening before you leave your home to come here.

www.BikersPocketGuide.com You can actually plan on what you want to do during your stay in the Grand Strand. Isn't that cool! You can call us at [386.323.9955](tel:386.323.9955).

In closing – my usual speech. Don't be draggin' down 17 revving your pipes, 'cause you'll get a ticket and free room and board. If you've had too much to drink, park your bike and get a taxi home.

Think before you drink. Don't leave your drinks unattended. It's not the bartender's job to babysit your drinks. Take care of your bartenders and servers. They work real hard to make your vacation unforgettable. Have a safe Bike Week.Remember – rubber side down, shiny side up.

Ron Martin

PS – Happy Birthday to Jason, Robin, and Dad! Happy 55th Anniversary to Mom and Dad! I'm so happy! Robin is graduating from high school! What an expensive month! Congratulations Lesley Beaver on your new Grandbaby Try!
